Land Acknowledgment

“Acknowledgment is a simple, powerful way of showing respect and a step toward correcting the stories and practices that erase Indigenous people’s history and culture and toward inviting and honoring the truth.”

CDP’s Land Acknowledgment is inspired by Dawn Knickerbocker, Native Americans in Philanthropy.

GOALS

At the end of the webinar, donors and grantmakers will:

1. Understand the variety of immediate and long-term needs faced by communities in the earthquake-affected area.
2. Learn how the current humanitarian crisis affects earthquake response and recovery.
3. Increase their knowledge of earthquakes, complex humanitarian emergencies and ways to support recovery efforts effectively.
